More than 500 educational organizations are getting benefitted from our software and Services.

LSOFT STUDY MATERIAL

Lsoft Technologies is developing and providing the study material for Engineering, Medical and other entrance examinations to numerous coaching Institutes and colleges for last 12 years. We are **upgrading the material every year** to suit the market requirements. All packages are available with **Institute's Name and Logo**, so that they get personalised packages and that too at very affordable price. Apart from saving money, it also saves time, so that institutes teachers can concentrate more on core teaching activities.

SALIENT FEATURES

- Prepared by renowned and **Experienced Professors**.
- '**Easy** to understand' language.
- Material available with **Institute Brand Name**.
- **No Name** of Lsoft Technologies mentioned anywhere.
- Ample No. of MCQs with **Hints and Solutions** for practice.
- '**Easy To Carry**' booklets of 4 to 5 topics each.
- **Basic Theory** is also covered.

BENEFITS

- Printed notes with class name and logo creates good impression of the class.
- The time for preparing and dictating notes is saved and that can be utilized for the students.
- Instead of carrying a fat book, the students can carry only the booklet of the required topic.
- Hints and solutions encourage self study.
- Best for practice of the students.
- Cost effective
